ORCID: 0000-0003-4851-787X

Assistant professor in Social Demography & Human Geography. An urban planner (University of Thessaly, Greece, 2001), with an MSc in Territorial Governance (Ecole Nationale des Ponts et Chaussées & Institut Français d' Urbanisme /IFU, 2003), Ifigeneia Kokkali holds a PhD from the Institut Français d'Urbanisme/ IFU on international migration and migrant integration. She has worked as a researcher and/or as project coordinator/manager at university institutes in Greece, France and Italy (Department of Planning & Development of the Aristotle University of Thessaloniki, Institut Français d'Urbanisme, European University Institute/ EUI, Politecnico di Milano/ POLIMi, etc.) to several European collaborative programmes of research and cooperation (FP7, TEMPUS, etc.) with many partners (EUI, POLIMi, Polytechnic School of the University of Florence, etc.). She has also worked (2016-2019) at the Hellenic Ministry of Education, Research and Religious Affairs as appointed expert of IOM (International Organization of Migration) to the Working Group for the Management, Coordination and Monitoring of Refugee Education at the Hellenic Ministry of Education, as well as at the Responsible Authority for the AMIF and ISF National Programmes & Other Funds at the Hellenic Ministry of Migration & Asylum (2019-2022). Her scientific interests focus on the causes and effects of international migration, including the spatial dimensions of population movements, residential and school segregation and related issues of territorial justice, urban social policies targeting migrant, minority & refugee populations, refugee settlement policies, etc.
